Dear Perkins Families,

*I wanted to take a moment to thank everyone for making this year such a great experience. I now know why Perkins has such a great reputation in our community, we have the greatest teachers, the best students and great support from our parents and extended community. I have enjoyed getting to know everyone and wish you all a safe, relaxing and most of all, fun summer.*

*To our fifth grade families who are leaving us, I wish you the best of luck as you move to middle school. Please remember to stop by and visit from time to time, as we love to hear from our former students.*

*Again, I want to say thank you for a great first year at Perkins! Mr. Pleshe*

# -Important Info-

*Change Happens... If you discover that your family is making a change in schools for any reason, please let the Magnet office know, in writing, as soon as possible. Your assistance is vital in our planning for next year, as well as notifying the eager students on our waiting lists.*

*FCAT RESULTS INFO: We have not received all of the FCAT scores yet. Once acquired, the school will send out a connect-ed message informing families when they will be available. Pick up will be in the front office during the summer.*

DON'T FORGET... you can still save old ink jet cartridges, laser cartridges and cell phones during the summer. Over the summer, they can be turned in to the office or you can drop them off when you return to school. :-)
